

CURRICULUM VITAE

About me

Name	Kiprotich Dennis
Address	15-20201 Kabianga
Phone	+254708058225
Email	denniskiprotich0@gmail.com/dekingetich@gmail.com
Date of Birth	17 th May 1997
Nationality	Kenyan
Marital Status	Single
Religion	Christian

Education

2015- 2019	BScs. Information Technology at Kibabii University
2011- 2014	Kapmaso Secondary School
2001- 2010	Kamaso Milimani Primary School

Skills

I am a passionate developer well versed with HTML, CSS, JavaScript, PHP, and C#. I have good communication skills, ability to listen effectively to users and colleagues and make sound decisions for optimal solutions to problems or functions. I have superior team collaboration and project management abilities.

I am a good leader having been involved in the following leadership scenarios;

- Head of Kibabii University UNESCO Informatics Association (KUUIA)

- Project Coordinator, Kericho County College and University Students' Association (KECCUSA)
- Chairperson Student Council, Kapmaso Secondary School
- Prayer Coordinator, Christian Union
- Class representative

Personal Attributes

I am a down to earth person, well presented, with a high level of integrity. I am a fast learner, a committed team player with good interpersonal and communication skills. I am capable of working under pressure and willing to assume additional duties. I can fulfill my functions under minimum or no supervision.

Languages

English, Kiswahili, and Kipsigis

Professional Summary

I am a passionate software developer, ardent about the web and developing innovative apps that expedite the efficiency and effectiveness of organizational success. I am well versed with web design and development languages, Laravel framework, and mobile applications development.

Work Experience

I started serving at a younger age of sixteen in my former high school as the Student's President and doubled as a Prayer Coordinator in the Christian union.

Currently working at Zalego Institute as an Intern, training students on web development and working on internal projects.

In University, I served for four years (2015-2019) as a Class Representative, and One year as the Chairperson of the Kibabii University UNESCO Informatics Association (KUUIA) which encouraged practical approach to ICT

problems, career development through projects and academic interactions as well as research, innovations and mentorship programs.

I participated in the founding of Kericho County College and University Students' Association (KECCUSA) and served as the Project Coordinator (2017).

I have worked as ICT Support Staff at Kericho County ICT Centre for three months (2019), displaying extensive knowledge of diverse IT systems and implementations.

I have been working on various individual projects for clients, practice and school project all of which I pushed to my Github account <https://github.com/dennohdee>

LinkedIn profile <https://www.linkedin.com/in/kiprotich-dennis-476536110>
